

Case Investigation Summary:

On receiving the report regarding inappropriate touching at Express Avenue Mall, a detailed inquiry was conducted.

- Security footage from the mall was reviewed.
- Statements were taken from the victim, nearby witnesses, and mall security staff.
- The accused individual was identified and detained based on CCTV evidence.
- After verification, an official complaint under IPC Section 354 (Assault or criminal force to woman with intent to outrage her modesty) was registered.
- The accused was produced before the magistrate and is currently under judicial custody.

Preventive Measures:

- Mall authorities have been advised to increase security deployment during peak hours.
- Additional CCTV cameras will be installed at crowded points.

Case Status:

Closed after filing chargesheet. Victim has been offered counseling support.
